

## ILP IS HERE TO HELP!

The San Bernardino County Children and Family Services Independent Living Program (ILP) provides services to foster and former foster youth/young adults 16 to 18 years of age. ILP offers classes, workshops, peer support and other resources to help youth/young adults prepare for their future. ILP participants learn skills that will help them become self-sufficient adults. Contact ILP staff in your area to find out more about the services offered.
